2. Levels of protection offered by the personal protective equipment

Applicable Standards:

EN 13634:2017 "Protective footwear for motorcycles riders - Requirements and test methods"

/

/

The protection equipment 2017900085 TORQUE 4 BOOTS

is in conformity with the basical requirements provided by the standard(s) of reference for the particular fields of utilization the device is addressed to.

EN 13634:2017 and /

Moreover, the protection equipment is in conformity with the specific requirements provided by the connected norm for the particular fields of utilization the device is addressed to:

/

The performance characteristics of the protection equipment are:

Height of upper level = 2

Upper impact abrasion resistance level = 1

Upper impact cut resistance level = 1

Transverse rigidity of the whole footwear level = 2

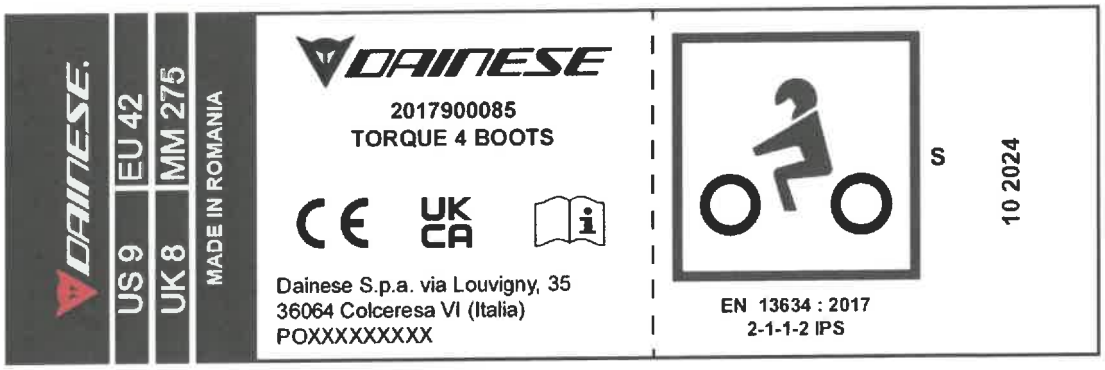

Optional requirements claimed for the footwear:
Impact protection to part of the shin (IPS)

3. Test results and test examinations are covered by the following test reports:

CERTOTTICA Longarone N.B. 2008

4. Marking

Placement of the marking: Label stitched on the footwear, dimensions 110 mm x 35 mm.

5. Declaration for category III personal protective equipment

For category III PPE, this EU Type-Examination Certificate shall be used only in combination with one of the evaluation procedures in accordance with Article 19, letter c), of the Regulation (EU) 2016/425

Applicability for the product covered by this EU Type-Examination Certificate: NO

Terms and conditions under which the Certificate is issued

a) Marking and instructions were examined in Italian. Language versions other than the one specified above are under the complete responsibility of the Manufacturer or of his Authorised Representative.
b) Any variation to the product, to the technical file or, in the provided cases, to the manual or to the quality control procedures, shall be notified in time to CERTOTTICA.
c) The Manufacturer or his Authorised Representative shall respect the procedures and the regulations provided by CERTOTTICA for the EU Certification.
d) Copies of this Certificate, supplied to third parties, shall be reproduced in their entirety.
e) The present Certificate shall be carefully kept by the Manufacturer to be shown, on request, to the Organism of control or to the Vigilance Administration.
f) The present Certificate remains property of CERTOTTICA, which can ask for it back if some of the above mentioned conditions are not respected.
g) Any subsequent revision of the present document automatically deletes and replaces it from the date of issue of the revised certificate (the start of validity, that is the renewal or revision date included at page 1 of this Certificate).
h) The present document can include only a limited description of the product under certification; for a more detailed description, please refer to the correspondent Technical Documentation.
